Michigan Office Solutions named 101 Best and Brightest Sustainable Companies™ in Michigan

Grand Rapids, MI – November 6, 2015 - Michigan Office Solutions (MOS) has been recognized as one of the “101 Best and Brightest Sustainable” by the Michigan Business & Professional Association. The winning companies represent a range of industries, such as automotive, construction, nonprofit, technology and healthcare. The 101 Best and Brightest Sustainable Companies celebrates organizations that inspire and are dedicated to producing green technology that impacts the industry and environment. These companies are considered leaders in sustainability in the workplace.

“I could not be more proud of our employees who make MOS a model of sustainability. To be recognized with this award solidifies our belief that sustainability isn’t a cost of doing business but rather a way of doing business.” - Ralph Slider, President of MOS. The award recognizes organizations that “are making their businesses more sustainable, the live of their employees better and the community, local and global, more responsible as a whole,” according to the MBPA. Slider continued, “This award validates the MOS business objective of thinking globally and acting locally in the communities in which we serve. It is an honor being named a leader committed to providing and implementing cost-effective solutions to reduce waste and conserve energy while providing education to employees about environmental issues”.

MOS’s sustainable initiatives include eliminating paper waste; instituting company- wide recycling policies; reducing landfill waste through recycling programs offered to our customers; utilizing BEI Software to help maintain territory mapping leading to a reduction of 5,000 miles per month being driven by our technicians with an annual emissions reduction of 94,200LBS per year; continuous improvement projects aimed at eliminating waste throughout the organization.

Companies throughout the state of Michigan are nominated by individuals and are evaluated in the following categories: education, communication, strategic planning, innovation, community leadership, building and grounds, financial performance. The winners will be honored on November 19, 2015 at the VisTaTech Center in Livonia, Michigan.
